Staff Accountant/Sr. Accountant (Public Accounting or Manufacturing Exp Req) Description

Our client in the manufacturing industry is looking for **a Staff Accountant or Senior Accountant** to add to their team in Stamford, CT. In this role, you will support general ledger accounting, month-end close, financial reporting, and intercompany activities across multiple business units while partnering closely with the Controller. The ideal candidate has a background in **public accounting with audit experience involving for-profit, product-based companies OR corporate accounting experience within manufacturing.** To be successful, you must have a strong technical accounting background, excellent analytical skills, and problem-solving abilities. **This is a great opportunity for an auditor looking to transition from public accounting into a corporate accounting role with a profitable, growing global manufacturer that offers experienced leadership and long-term career growth.**

Staff Accountant/Sr. Accountant (Public Accounting or Manufacturing Exp Req) Responsibilities

- Support month-end and year-end close activities across 3 business units
- Document close procedures and timelines for each business unit
- Prepare and process journal entries to ensure proper classification
- Review and analyze general ledger postings to ensure accuracy
- Investigate and resolve complex discrepancies via reconciliations
- Support with financial statement preparation and reporting
- Maintain and review intercompany matrix monthly for accuracy and completeness
- Assist management with tax compliance and accounting administration
- Support the preparation of annual external audits & address auditor inquiries
- Analyze, book, and validate accruals, identifying areas for adjustment
- Confirm proper and timely revenue recognition
- Manage the evaluation of bad debt allowances and adjustments
- Respond to requests for financial information and data
- Recommend internal controls to enhance the accuracy and efficiency of accounting practices

Staff Accountant/Sr. Accountant (Public Accounting or Manufacturing Exp Req) Qualifications

- Bachelor's degree is required
- Public accounting experience auditing for-profit, product-based companies **OR** corporate accounting experience within manufacturing is required
- Experience with **general ledger analysis** is required
- **Strong Excel skills,** including formatting, formulas (ex: VLOOKUP) & pivot tables, are required
- Ability to work on-site 3 days per week is required
