Landscape Project Manager (Commercial) Description

Our client, a leader in high-value commercial landscaping, is seeking an experienced Project Manager to join their team in Taunton, Massachusetts. This role offers the chance to oversee transformative projects, including new schools, luxury hotels, rooftop patios, and even professional sports stadiums like Gillette. These multi-million-dollar ventures, primarily located in the Boston area, provide an exciting opportunity to shape iconic spaces in the commercial landscaping industry. The ideal candidate will have a proven track record of managing multiple high-value commercial construction projects and possess strong expertise in landscape construction, including reading blueprints, masonry, and related disciplines. This is a unique opportunity to become part of a well-established organization, lead innovative projects, and make a lasting impact in a dynamic and thriving industry.

Landscape Project Manager (Commercial) Responsibilities

- Manage multiple high-value commercial landscaping projects
- Ensure timelines, budgets, and quality standards are met
- Serve as the primary point of contact for clients, subcontractors, and union labor teams
- Oversee project planning, scheduling, resource allocation, and risk management.
- Collaborate with designers, architects, and contractors
- Ensure project alignment with specifications
- Monitor on-site activities and ensure compliance with safety standards
- Foster strong client relationships to drive repeat business
- Maintain the organization’s reputation for excellence

Landscape Project Manager (Commercial) Qualifications

- Commercial construction/landscape project management experience required
- Strong background in managing multiple projects simultaneously required
- Knowledge of hardscape construction required
- Proficiency with MS Office required
